DISCOVER RICHFIELD HERITAGE PRESERVE

HELPFUL TIPS: Expect to see an early showing of spring wildflowers mid-April to mid-May. Trails can be muddy. We encourage you to take pictures only (not flowers) and to stay on the trails. Please hike single file especially on the narrow Buckeye Trail. If you bring your dog(s), keep them on a leash for the safety of everyone and please remember to "scoop the poop". Waste cans are located around the property for disposal. *Buildings may not be open due to restoration. Park is open from dawn till dusk.
