FRIENDS OF
Richfield Heritage Preserve

Our mission is to preserve, protect, enhance and promote Richfield Heritage Preserve (formerly Crowell-Hilaka) - including its natural and historic resources - for current and future generations. We do this in partnership with the RJRD board and with the help of our members, volunteers, and donors, as well as the residents of Richfield.

Through the woods we walk, adorned with snow that glitters,
while clear intentions grow by visible breath that unfolds.

Around the water's edge we go and up the slippery slope, untold.

The tangled shade unveils an intriguing pattern on the trail, accom-
panied with strands of light which glimmer to catch our sight.

It warms our bones, which warns us of the chill of the promised
night.

As we exhale our woes and fears, we decide to live in contemplation
here.

To our surprise and much delight, the Secret Waterfall has stopped,
frozen in time.

But we know not to keep this fleeting dream at bay, and so we cap-
ture it today.

With our hopes renewed for this day, we share a smile and relish the
joy of discovery.

For now, we continue on our way.

When winter's majestic cloak unfolds, she demands our attention to
her gifts bestowed.

Nature longs to be our voice, but it is true we have to make that
choice.
