Subject: Re: inquiry

Lynn, I passed out the posters to each board member, but not the letter. Everyone was impressed with the professional presentation which indicated serious determination and resolve. There was some comment regarding the implication that "closed" meant permanently (which has never been discussed at the Board level). Yes there was a vote. As you know, it will take a few days to issue an official letter from the board.

We'll keep you informed as soon as we can. Roberta

PS I'm sharing your inquiry with Fred Cash as I will be on vacation for a week.

Hi Roberta - was the board able to address the issue of Crowell Hilaka yesterday, or was Fred's motion tabled for lack of time?

I am guessing that if some decision was reached, the Standard Operating Procedure is to give it to Brittany to frame the wording etc & that it takes a day or two to announce. Which is OK. But Kathleen, Barb, & I are all sort of holding our breath - and if nothing actually happened, we'd appreciate knowing that. Whatever the outcome, thank you for all that you have been doing.

Lynn

PS - I am curious about what people thought of the posters. Also curious if you ending up passing out the letters or felt it better, strategically, to wait?
