Subject: [FriendsOfCrowellHilaka] FoCH meeting -Sept 27 2pm Amity

Just got the official word from Angie at GSNEO after discussing arrangements with BZ yesterday:

We have Amity House for our FoCH meeting 2pm Sunday, September 27 .

They are not charging us for the site, because they do not charge other friends groups for their site (not my idea- it came from BZ) However, everyone who attends MUST be a registered member of GSUSA. We will have membership forms there. If someone truly can't afford it, FoCH will cover that expense for them. To be a voting member of FoCH, you must pay dues of either \$5 or 5 hours of work.

We are electing officers and voting on some regulations. as to the rest of the agenda - it depends on the decisions of the board. If they are keeping camp open on some kind of limited basis, then we discuss ways of promoting camp. If they close us down, we discuss ways of promoting camp, and hold a closing ceremony. I have some thoughts about such a ceremony - IF the need arises and if you have ideas - contact me off list.

Pat Boczar- are you still interested in having a dinner or some such thing for Stan? If so, do you want it to be part of events on the 27th. If so, we need to get hold of him & ask if he wants to come. If he is losing his job he might be too sad to make it.
