Dear Lynn:

Thank you for your proposal, which was discussed at the GSNEO Properties Committee.

Due to the pending litigation, we cannot respond to Points #1 and #2.

However, I do want to respond to you regarding Point #6 regarding Closure of Regional Offices. The GSNEO Properties Committee does not support the closing of the regional offices as it represents important assets and is well used. The Regional Offices are strategically located throughout the footprint of the Council.

Your idea regarding the Friends Group has great merit and we will consider it for the remaining camps.

GSNEO registration has been streamlined and is centralized. GSNEO is committed to continually enhancing its registration system and reporting capabilities.

Yours in Girl Scouting,
